You wouldn't believe how fun it's been knowing you. It really has. Aside from the fact that Gillibridges class was boring. I had a pretty good time. For sure, we are really going to have to get tother and play tennis sometimes. Even though it'll seem like you're play by yourself, I'm so lousy. Well, the only thing I can say is "Good Luck" and I hope I see you in the future.

Love ya,

WE'RE

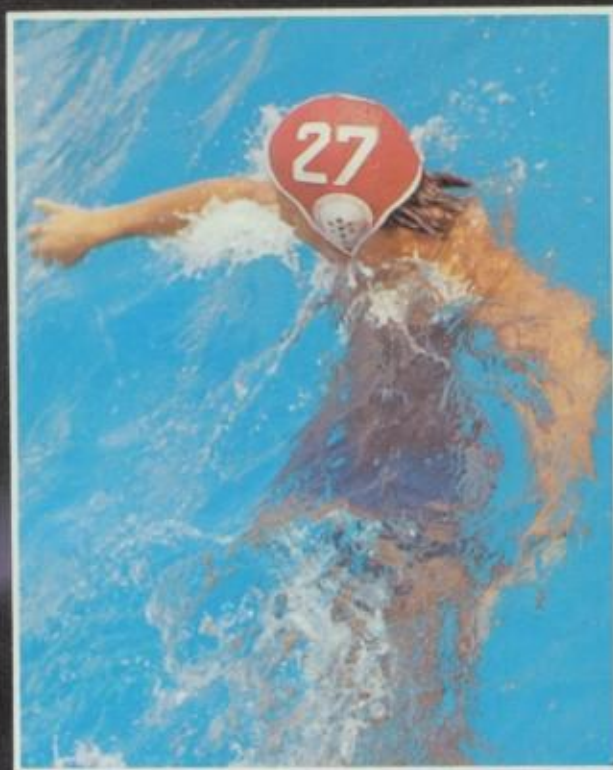

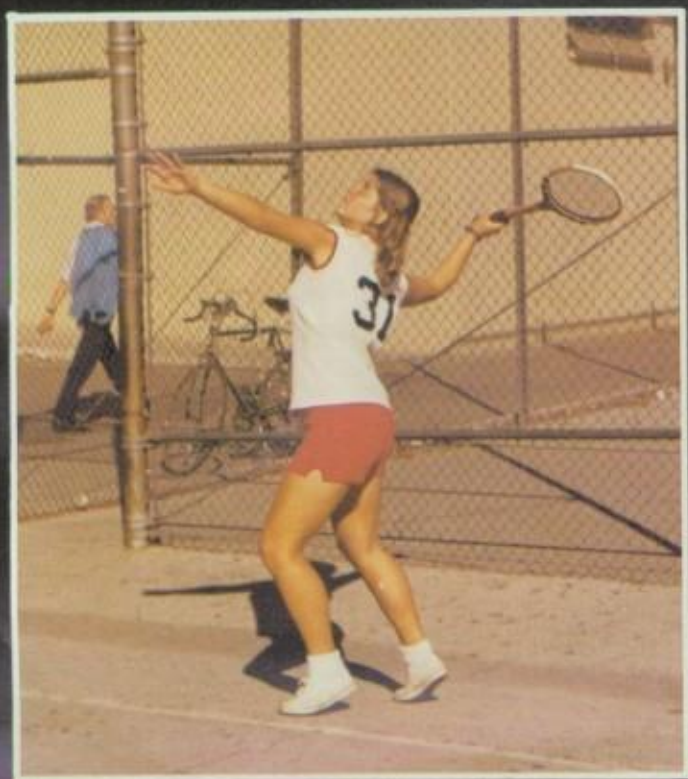

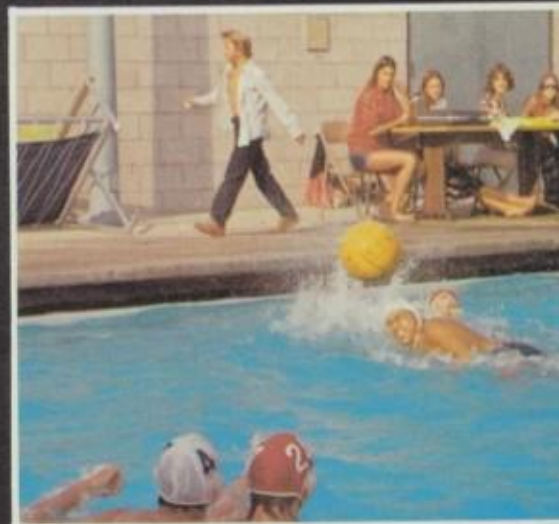

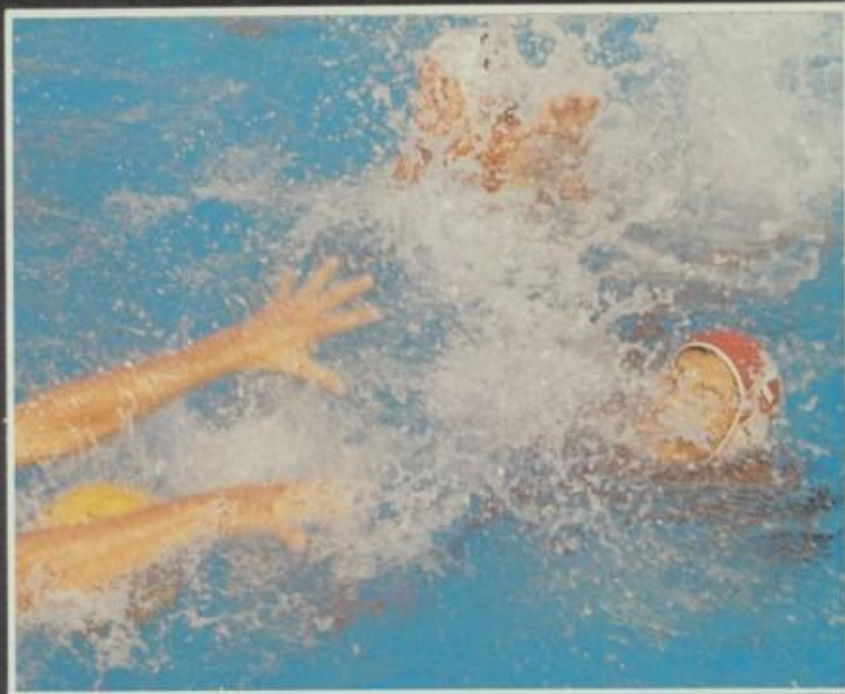

FROM

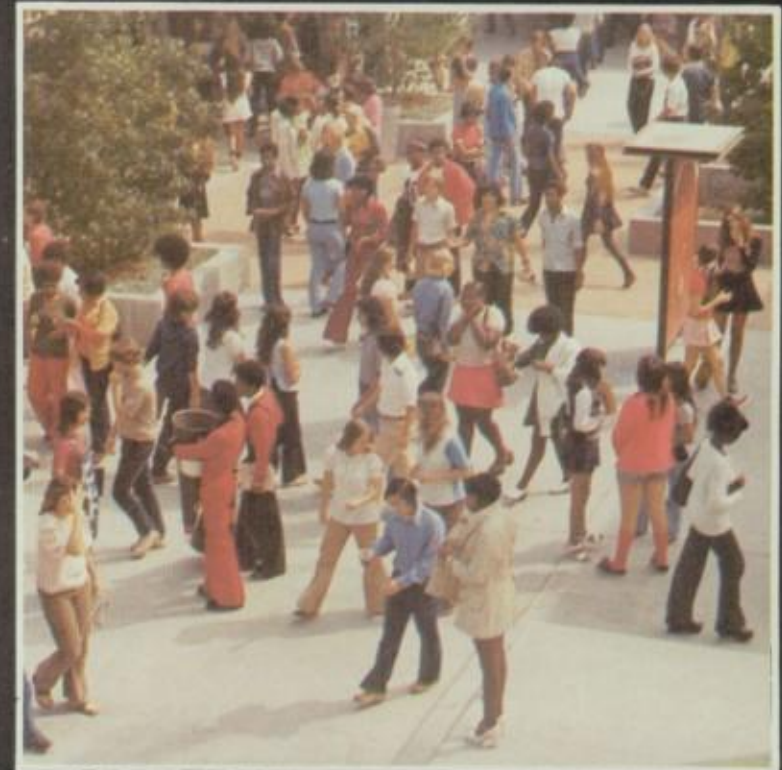

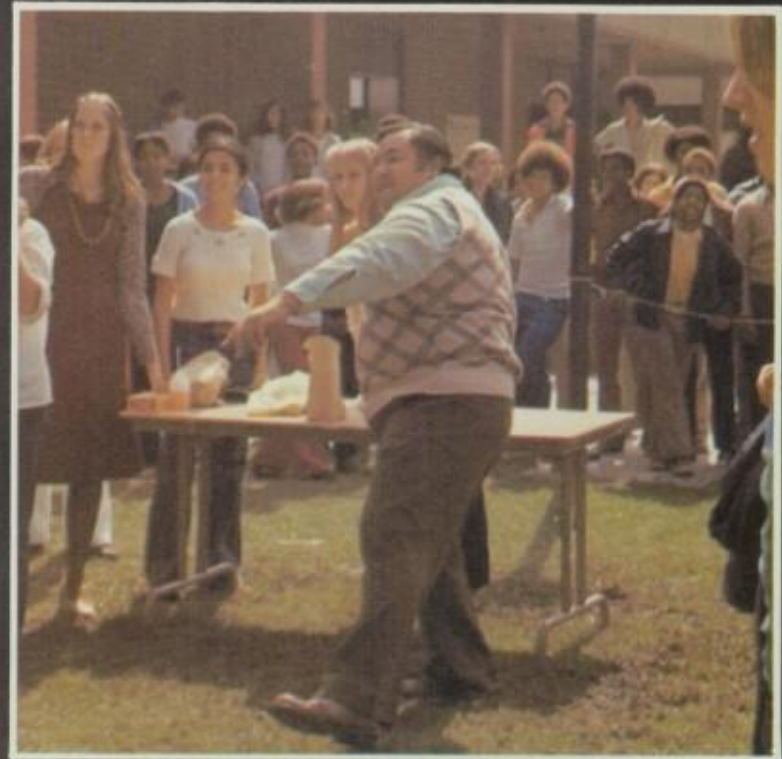

BERDOO

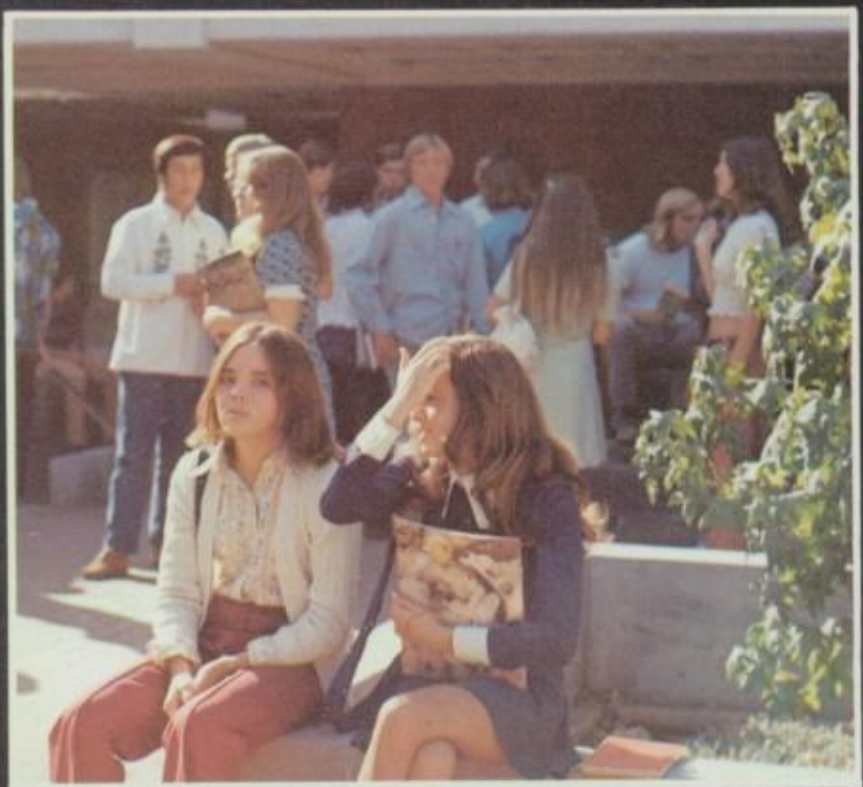

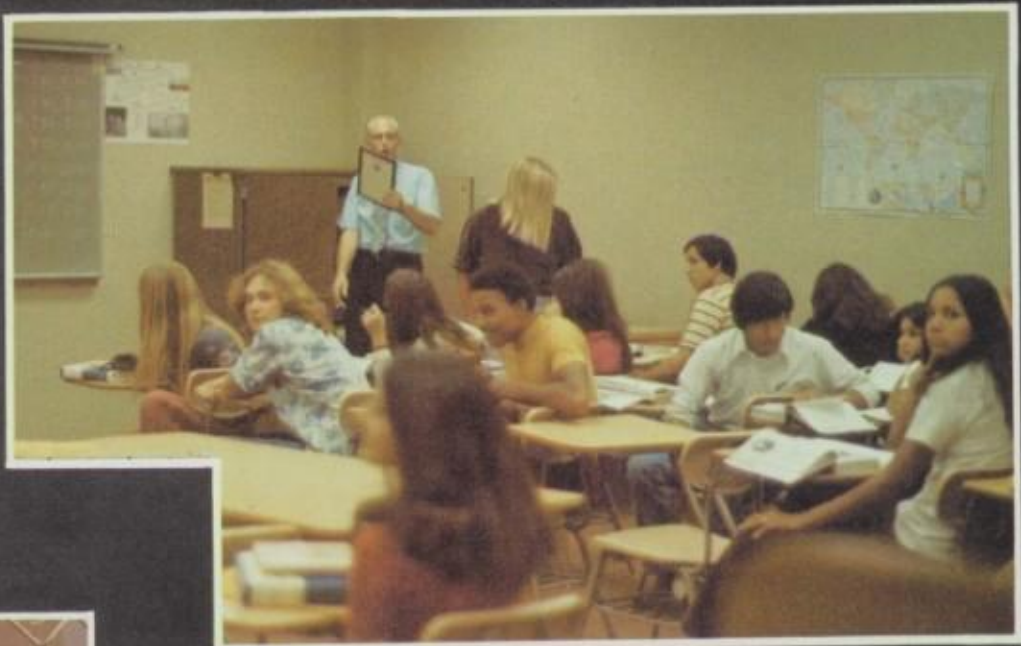

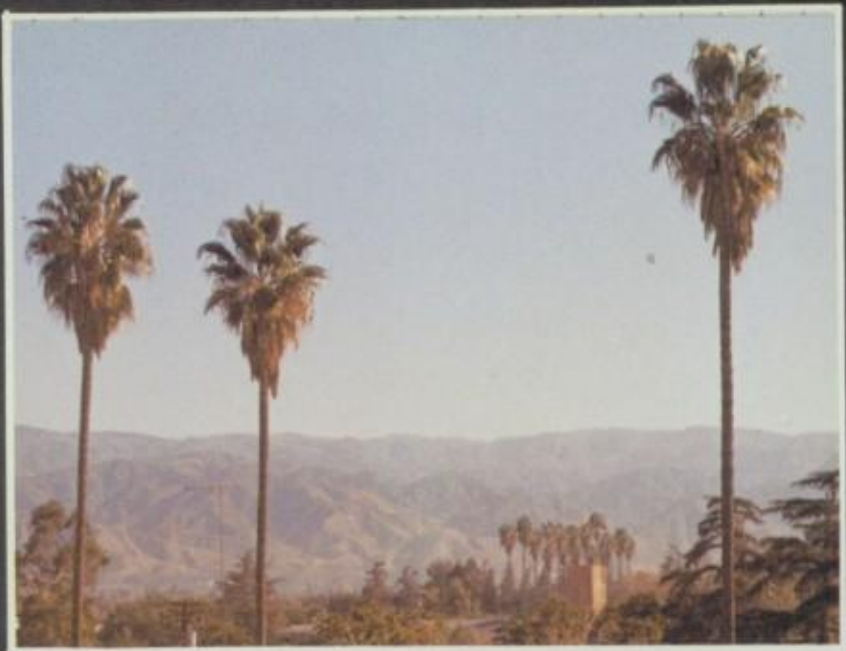

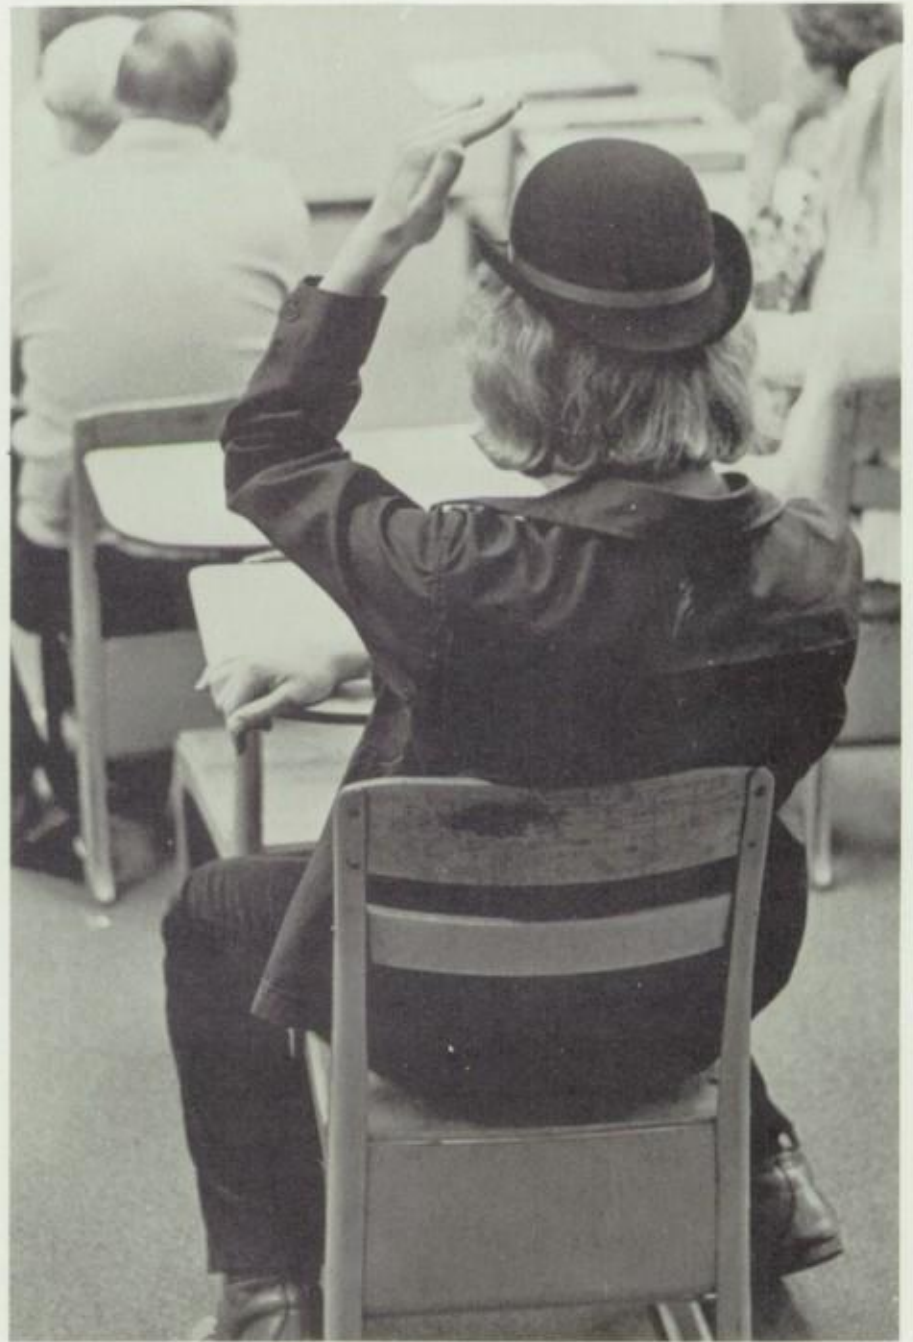

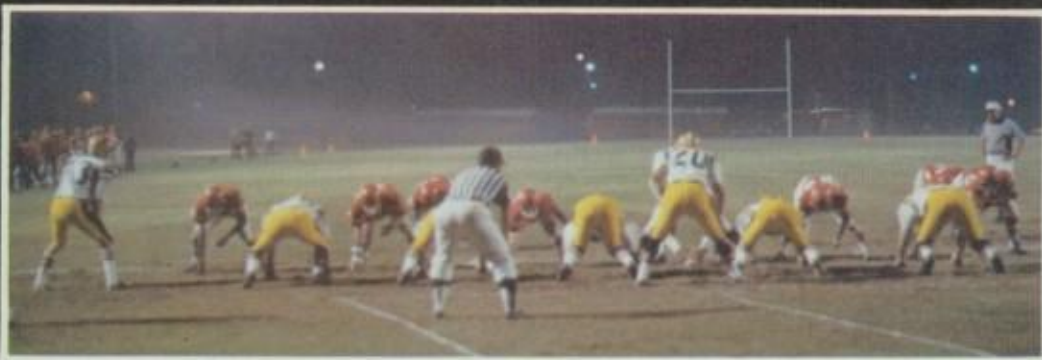

MUGS

High School days
 And Football games.
 Parties, people and memories
 Daydreaming through time.
 What did you say?
 I guess I wasn't listening.
 There's no longer time for me
 It seems that I must compromise my soul
 Pleasing people I don't know.
 I feel so tied down,
 And coffee breaks and lunch time are too far apart.

Opening up and growing up
 They're both a part of life.
 Flying to a meadow
 Or soaring to the sea.
 Learning what you can,
 Whatever . . . Whenever . . . Wherever . . .
 Each day holds something new
 Sometimes happiness,
 Sometimes sorrow.
 Chalk it up to experience
 Someday you'll understand the meaning of it all.
 Cruisers and losers
 One night stands and love affairs.
 Friends broken before they've begun
 People passing like minutes of the day,
 Before you can grasp the reason that they've come
 They're gone
 And nothing can ever change the past.

Years of learning
 Lie behind me like battle scars.
 Victories and surrenders
 Are computed on an IBM card
 To be filed away with the rest of my life
 Controlling my future
 And freezing my past.
 Never allowing me to live the way I should,
 Or would if I were allowed to be free.

It all goes on and on
 Never stopping, never slowing
 At least that's the way it seems.
 Then suddenly, as if it had just started
 The rotation changes and I fall into darkness
 And then it all ends.

DEDICATION

1975

Policemen come and policemen go but whenever we need help or advice we always know that Mac the cop is just around the corner. Whether it be a traffic ticket, a speeding violation or just in need of a good friend to talk to, he always has the time.

His looks and build give him the appearance of being an angry bull, but as many of us know down deep he is a real pussycat. He performs his duty with dignity and pride, but he is able to distinguish the difference between policeman and friend.

Born in New Jersey, he was orphaned at the age of eight and was brought up in Father Flanagan's Boys Town in Nebraska. He served in the Navy as a Hospital Corpsman. He got out of the Navy and came to San Bernardino and joined the police force. He was a rookie when he married his wife, June, in 1956. Mac has been a policeman for 19 years, and has been associated with the schools for over 10 years. He has two children attending SBHS.

The TYRO staff of 1975 is very proud to announce their choice for cop of the year, Clarence McDonald, and we dedicate this yearbook to a great guy!

Hey Mac, Keep on Truckin!

The 1975 TYRO Staff

In Memorium

All of us, both students and faculty that knew Mr. Ehlers are deeply saddened by his passing this last summer. He was a very warm person that many of us grew very close to.

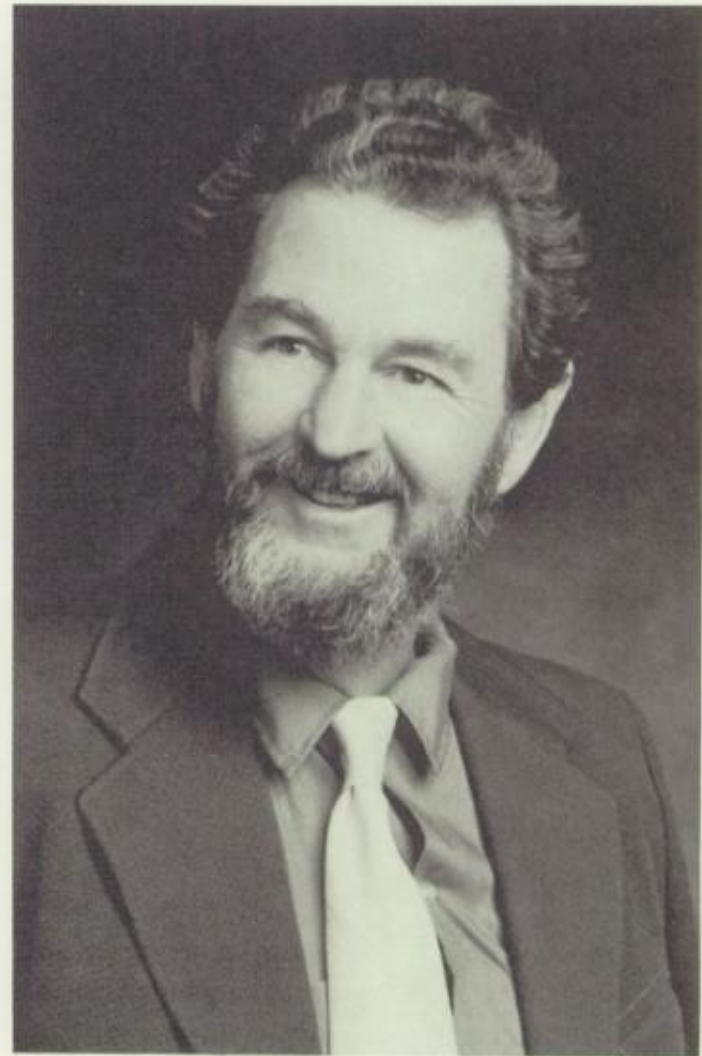

Mr. Ehlers, who served as a Social Studies teacher and counselor at San Bernardino High School for seventeen years, died as a result of a heart attack on July 10, 1974. At the time of his death, he was serving as the summer school coordinator at San Bernardino High School. "Jerry," as he was known by his friends, was also formerly involved in the driver education-training program at SBHS, and for several years served as a part-time counselor in the Adult Education Department of the district. He was active in the San Bernardino Teachers Association for a number of years, worked on numerous instructional and salary committees, and served as a Faculty-Council chairman for SBHS.

ADMINISTRATION

Congratulations to the students and faculty for making 1974-75 a superior year. Student leadership — represented by Student Council, Cardinal City Congress, and District Student Congress — served us well. They involved students in planning and evaluating activities and also stressing the need to listen and understand each other. The faculty worked individually and collectively to provide more and better opportunities for students to learn with particular emphasis on individual student success. Together, everyone strived to make San Bernardino High School a better place for all of us as we commit ourselves to worthwhile educational goals.

THE AUDIBLE ANGELS (Get on your job)

PERFORMING AT A PEP ASSEMBLY

HERE COMES "HAPPY DAYS"

This is our Sunday best!!!

The Juke Box Crowd . . .

70's campus looked like the fifties.

It looked like a scene from Happy Days on January 10. During the evening the 50's came to a home basketball game. After the game, a dance with original 50's music was held in the cafeteria. Some students finished the day by cruisin' 'E' St.

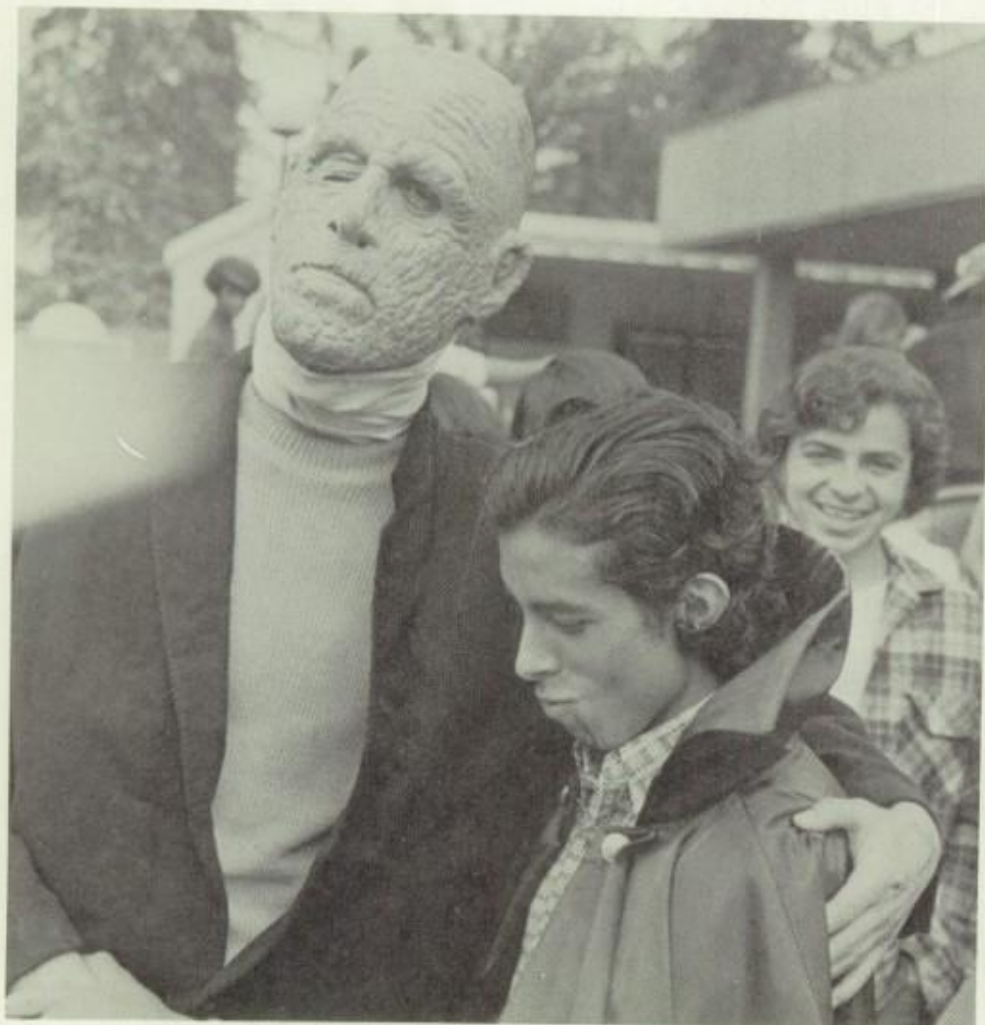

Look at our 50's Cheerleader's!!!

Here we are, Fonzie . . .

JUST ANOTHER DAY?? — OR HALLOWEEN!!

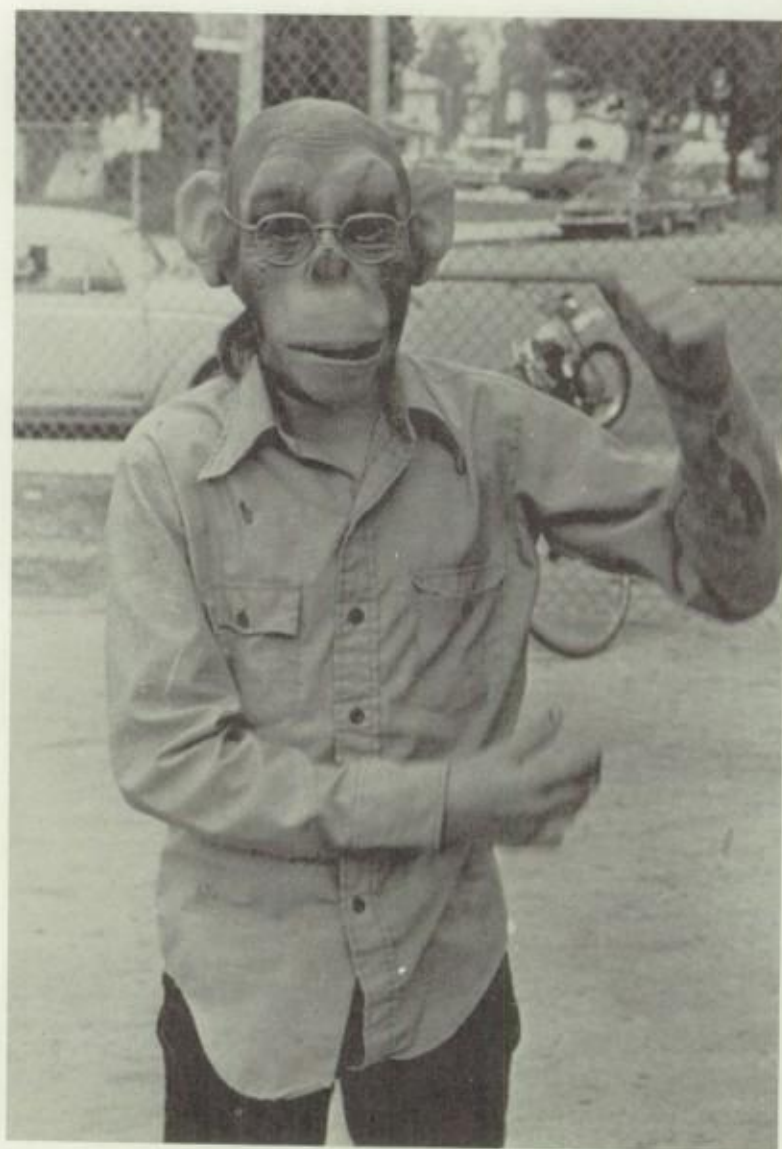

Want to dance?

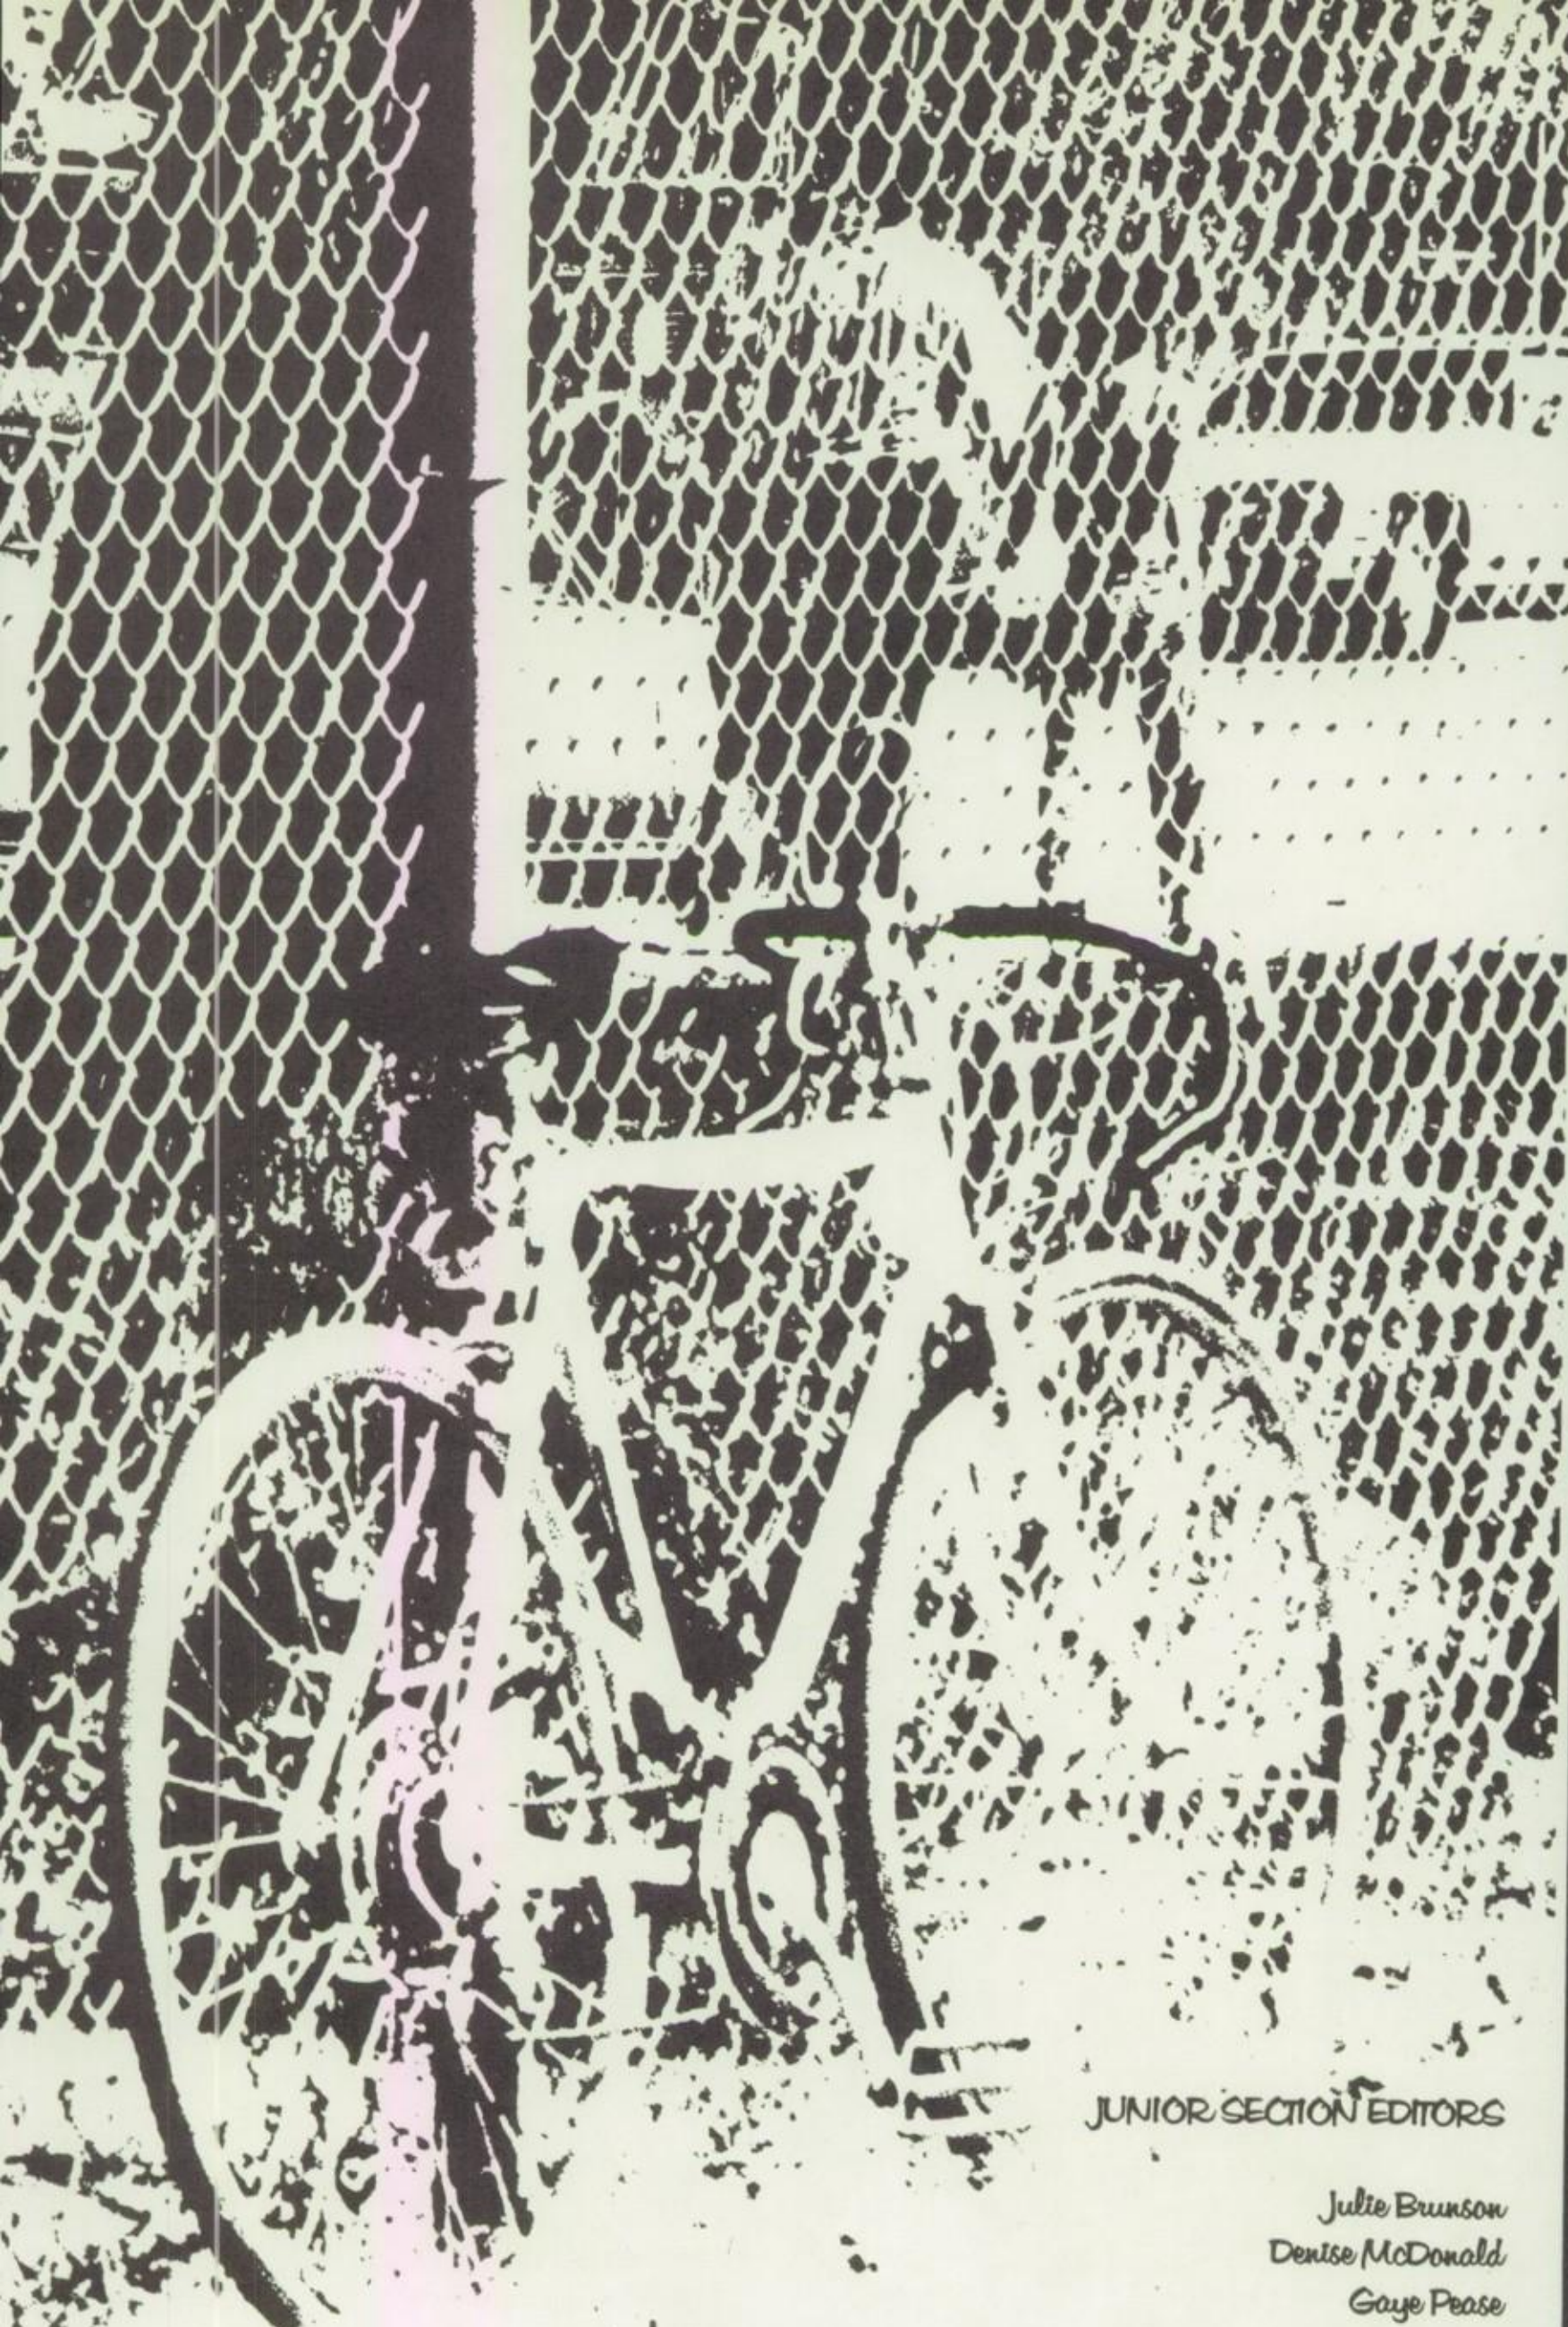

Some people didn't have to dress up!

How about a bite?

Just hangin' around!

WHAT A WAY

Dating Game

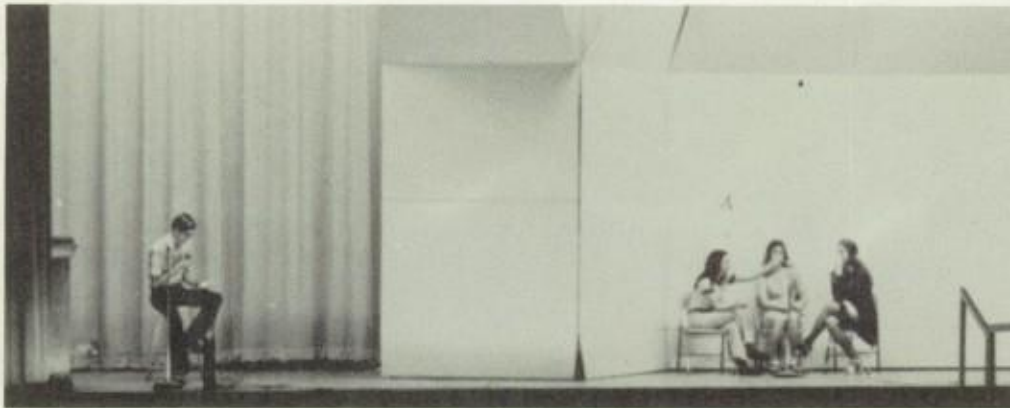

Meg wins a date

Sponsored by the Oceanography Club, the Dating Game turned out to be a great success. The players won dates to restaurants and movies. Shelton Diggs, an SBHS grad who plays football at USC, was a special guest.

Oceanography Pres. Susan Hedger

Alumni Mike Wilhite tried for a date

Aw, Mom!

Theresa Richards, Phyllis Dugas and Gai Hudson play the dating game. Their date? Shelton!!

TO HAVE FUN

On Jan. 22, 1975, Lew March the Hypnotist, came to our school to put on an assembly for us. He also did a performance that night for anyone who bought a ticket.

He makes his subjects have ants crawling on them and the audience have no clothes on and many other things.

Lew March

NO ONE HAS THEIR CLOTHES ON!!!

Ant! Ants!! Ants!!!

There's Eddie. I've seen him before!
He streaked.

Boy does she have a strong back!!!

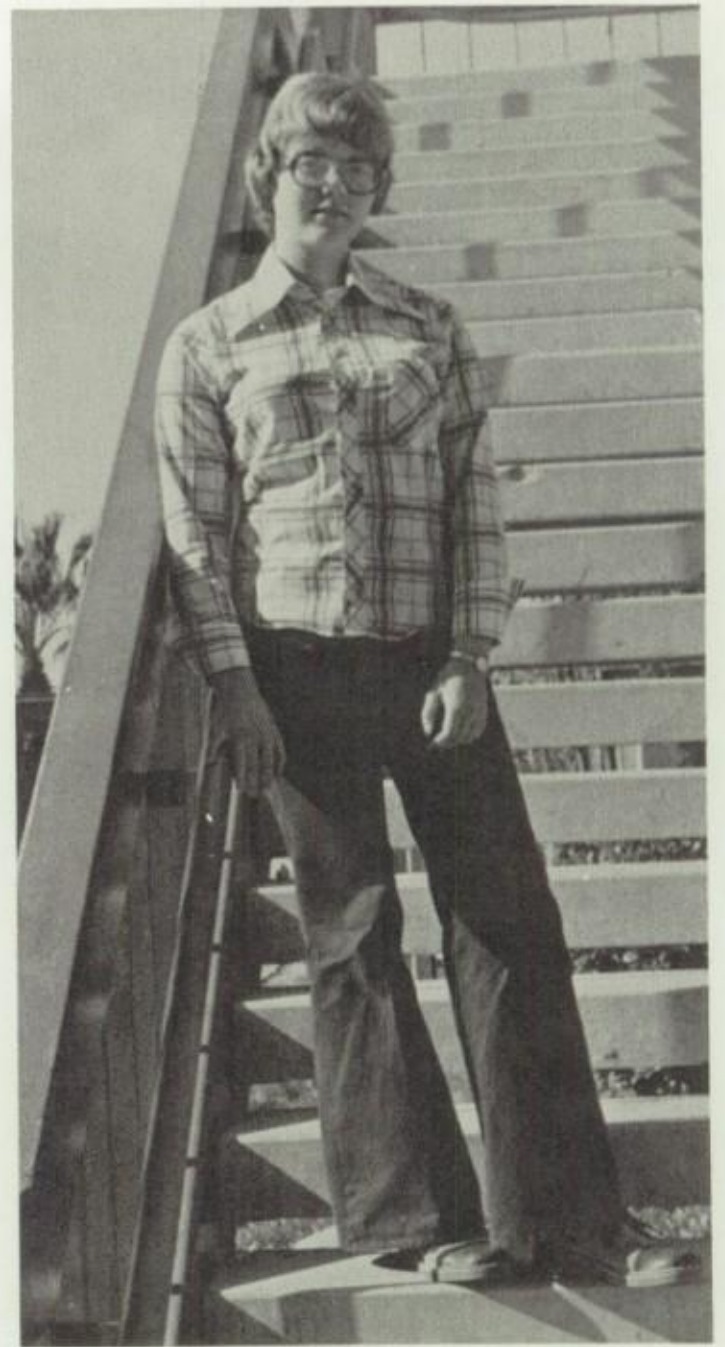

VELCOM, INGRUN

One of the new faces you saw around campus this year was me, Ingrun Leyendecker, 16. I was born in Cologne, Germany (which we spell Köln) and lived there all my life with my sister, Ruth-Birgit, 19 now a student at the University of Marburg, my brother, Marcus, 12, my father who is a general contractor, and my mother who used to be a business School instructor.

Here in San Bernardino I find myself in a completely different situation because I have three older brothers as well as an older sister. Rob and Peggy Hartley both attend college away from home. Jim Hartley and Fernando Bergamasco, Seniors at SBHS, are my brothers at home, and I am a Junior. When I return I will have two more years of high school because we go for 13 years, not just 12.

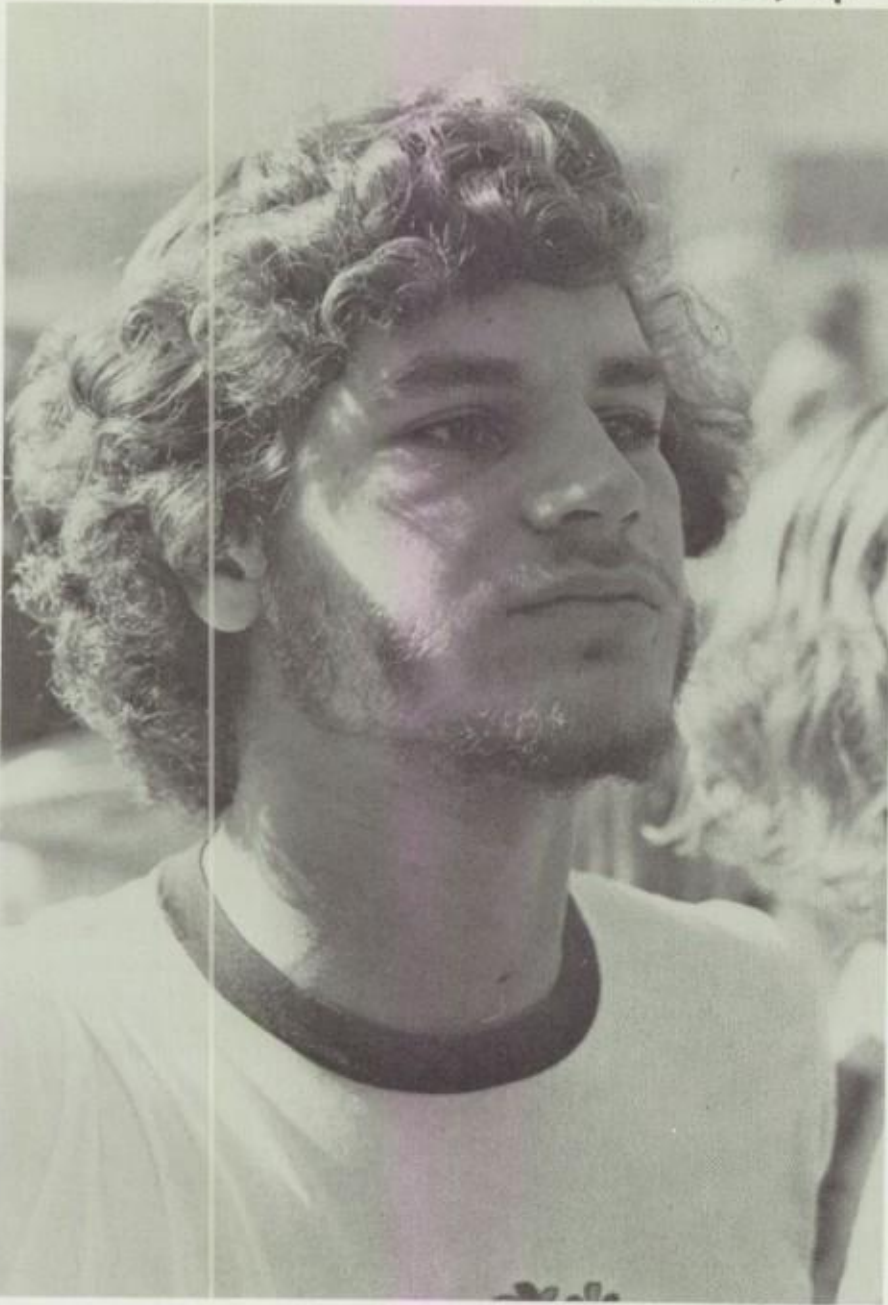

My stay here wasn't really planned but was a very nice surprise. My sister spent a year in So. Calif. in 1972-73 with AFS and so got acquainted with the Hollis Hartley family who invited me to come this year, and I can't thank them enough. That is how I got the chance to be an exchange student which includes many new experiences. There are so many influences and ideas that you suddenly have to face. I was surprised to find that I am a little different person here living in a new world with a different language, climate, and school as well as different people and surroundings. I enjoy my host family which is probably the first step to a successful year. I am really happy to be here, and I can only wish that in times to come many more young people will have a similar opportunity and be as lucky as I have been.

FERNANDO JOINED US

Fernando Bergamasco is our A.F.S. Student from Assisi, Brazil. He is spending the school year here in America and staying with the Hartley family. Hope you enjoyed your visit to S.B.H.S. and America. We sure enjoyed having you!

MEG TINKER, Editor

The Tyro Weekly, under the leadership of Editor Meg Tinker, had a great journalistic year. Striving for quality as well as quantity, devoted staff members gave their best to produce a newspaper that was not only news-worthy but also entertaining.

For the first time in four years, the Tyro was printed by the students in Lowell Buch's print shop classes. Using a Solna offset printing press and a Compugraphic phototypesetting machine, the paper had a new, professional look.

Many thanks go to Principal Ivan Bratton for helpful suggestions and truly giving us "freedom of the press . . ." to Mr. Lowell Buch for all his help on the printing . . . and an extra special thanks to Ms. Lea Ward, advisor. Her interest and enthusiasm provided the incentive for us to get the job done.

MEDIA and KARD Radio

Mr. Threatt's Media Class, like KARD radio, started the year off slow but put it all together the second semester. Media students learned all phases of photography, as well as radio. Students enjoyed listening to the tunes during the nutrition and lunch breaks. The D-J's enjoyed keeping the students Rock n' Rollin.

Media Class hard at work!!!

Clockwise: Alan Humbert, Robert Satterfield, Steve Mannings, Tony Boggs, John Kaphan, Rodney Williams, Dean Richards. Not Shown: Ray Scudder, Mike Blatnick, Mike Muir, Rick Reisenhofer.

THE HANDBALL FOR LUNCH BUNCH

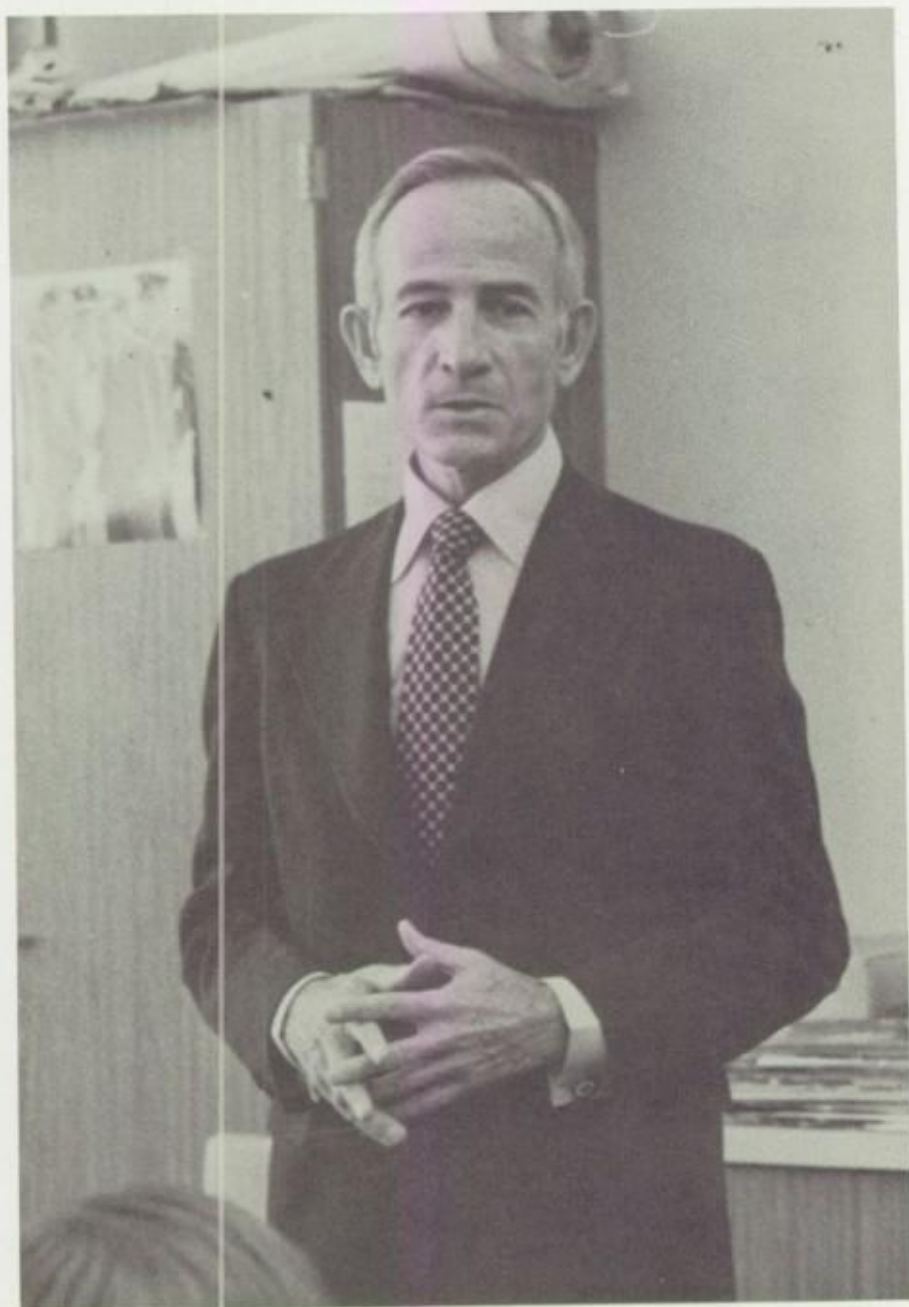

Getting into the swing.

Good shot, Mark!!

WE LOST A FRIEND

The shock of the death of Congressman Jerry L. Pettis was a great sadness to the students and faculty of SBHS. The crash of his plane Friday, Feb. 15 ended an outstanding career of this fine public servant. He would have been 59 years old in July.

Pettis brought to his office a rare and valuable blend of experience and talent. He was special assistant to the president of United Airlines for four years after his Air Force service as an instructor and pilot. He turned his own private business into four successful companies. He also found time to teach economics at Loma Linda University and served as vice president of the University and chairman of the Board of Counselors.

Pettis was elected in 1966 and was re-elected since that time. He kept close to the people in his district and was always ready to listen to them. He seldom forgot a face.

He loved SBHS and he felt we would be great leaders some day. He had been coming to our campus for four years and was a visitor here just a few weeks before his death.

He will be missed by those of us who remember his gracious smile, good humor and consistent concern for us and our problems.

The Waterpolo team, coached by Ron Schrempp, gave the citizens of Cardinal City an exciting year. The "animal squad" worked hard to become Ivy League Champions. It meant coming to summer practices and being in 2 summer leagues; Mt. Sac and Garden Grove. They met tough teams like Downey and Long Beach. They even had a chance to play U.S.C. in an AAU tourney. "That's where we learned the most," commented Schrempp. "It was playing teams like Downey where we got our real experience.

But then the real test came, school started and league began. The guys knew that Riverside Poly and Indio would be the ones to beat. The animal squad could not have done it without the help of John Alstadt, Lisa Miller and Cindy Bashaw, who kept perfect books and scores and made sure everything ran as smooth as cream.

The team came out with a fantastic record of 9-1 in league and 19-3 overall. They fell in the first C.I.F. game against Upland.

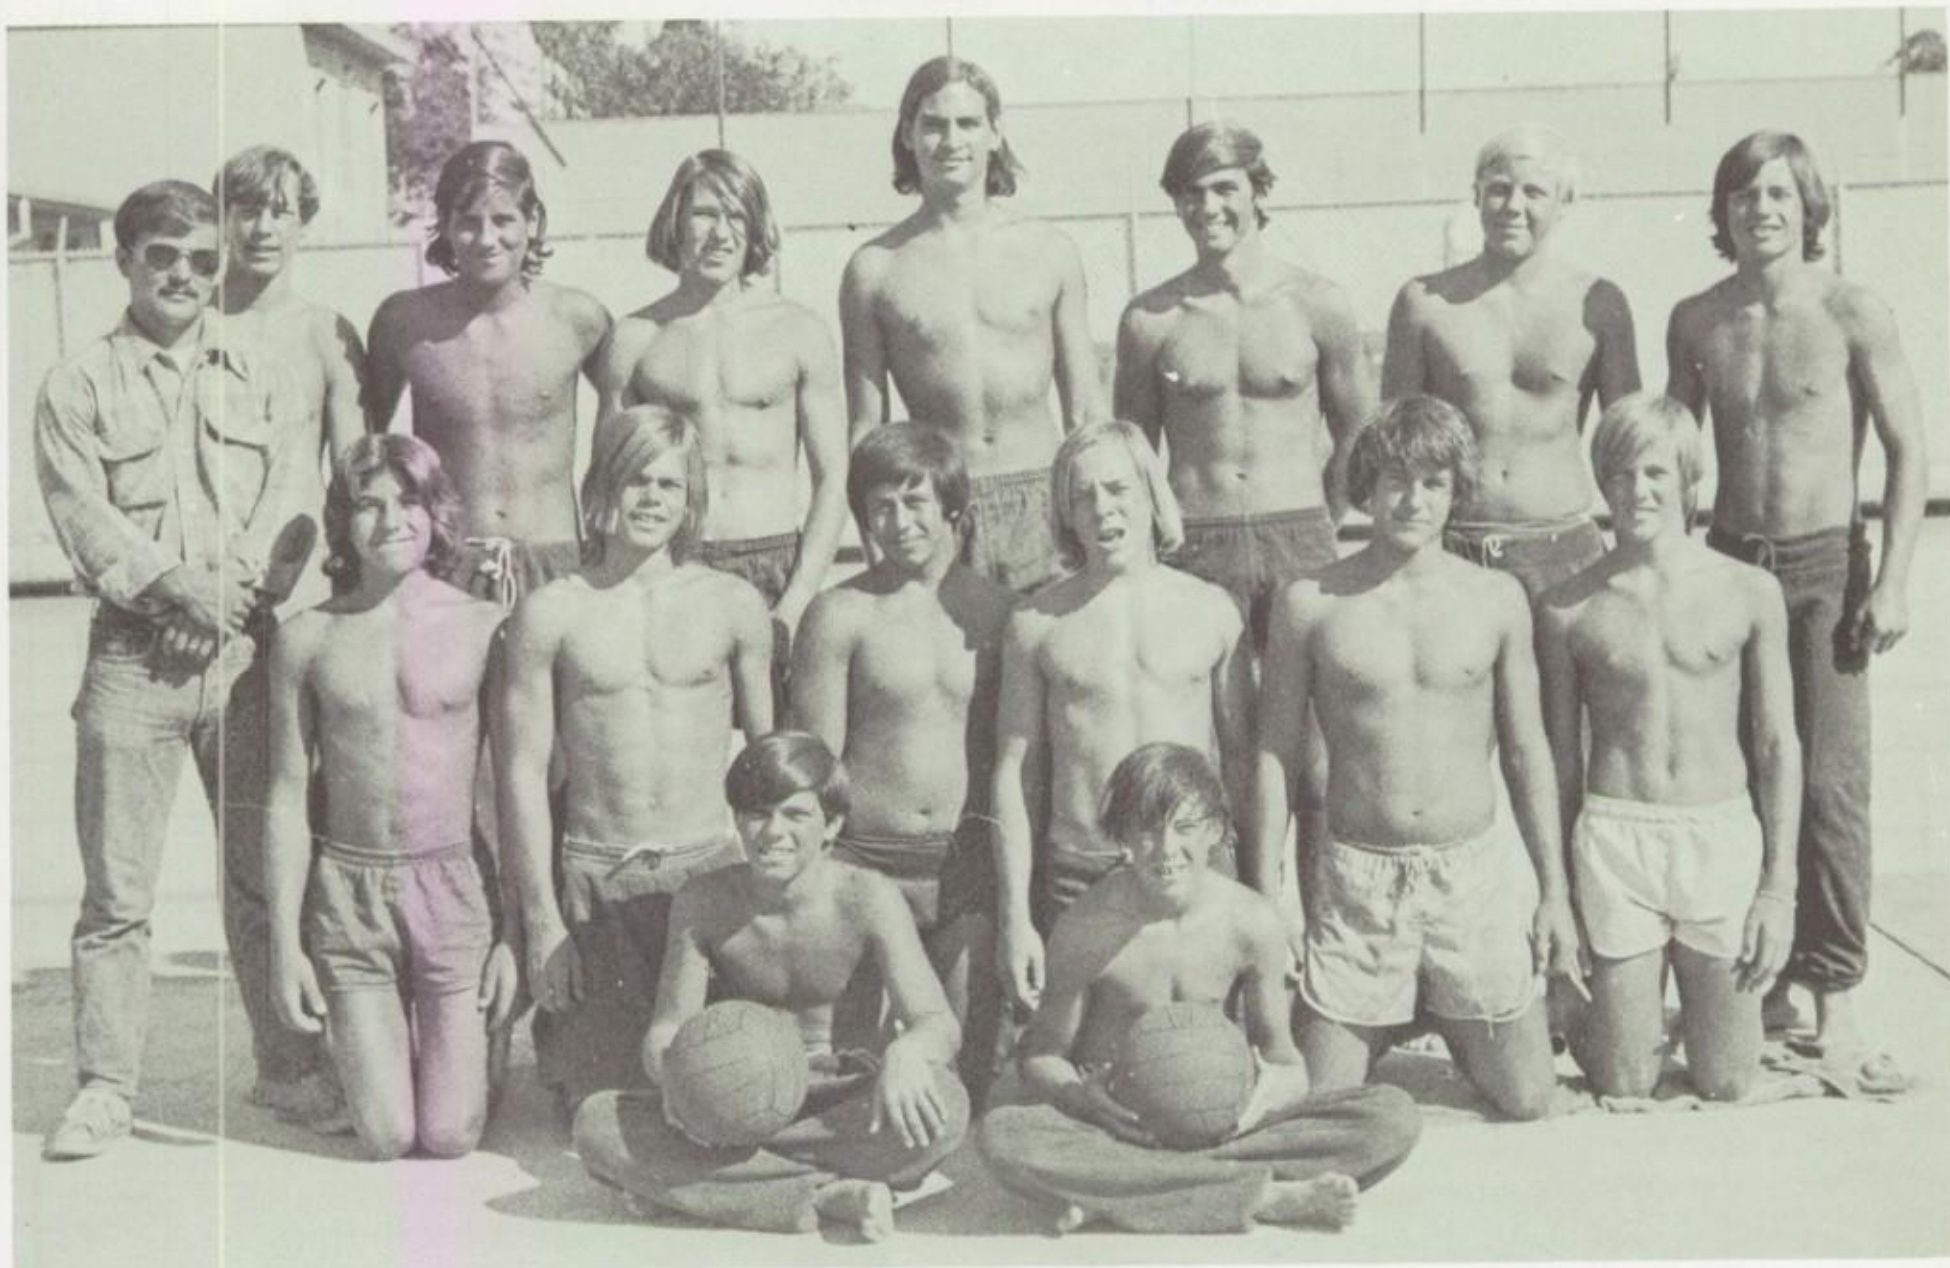

At the sports awards banquet, there was no most valuable or most improved. In Schrempp's eyes, everyone was valuable, so he gave everyone a trophy reading "Ivy League Champions!"

WE RAN TO

On December 6, 1974 at 2:30 in the afternoon the Marathon began. Six guys started their 24-hour run to help the Gerald Ehler's Memorial Scholarship Fund and to also set a record.

No one had ever run for 24-hours in San Bernardino. San Geronimo and Valley College tried but give up.

Each man ran 35 miles, totaling 209 1/4 miles. Dan McCarthy was on his 35th mile when the gun went off ending the 24-hours.

The Tyro Weekly named these six men the "Wheaties Crowd."

AWARDS

S.B.H.S. Varsity Basketball — 1974-75

This season's standings will remain a bitter pill for our players to recall in the years lying ahead. Our win-loss record is an indication of the competitiveness and toughness of our league (Ivy).

This year's squad was anchored by three (3) returnees from the 1973-74 squad none with any real varsity game experience, Bob Chovick, Ron Carter and Bruce Torres. The determination, mental toughness and sheer courage of these three, in spite of our lack of success was truly an inspiration to the team members.

It should be said that, "They were long in guts, courage and never quitters, while being in the short end of defeat, time and again."

The fact that six (6) players will be returning next year, all having much varsity experience would maybe indicate that the "Worm will turn" for S.B.H.S. basketball success in the tough Ivy league.

1974-75 S.B.H.S. VARSITY BASEBALL

The Cardinals came off with some big wins in non-league games. They were 3-2 at the beginning of league play. Larry Arnold, their coach, has been doing a beautiful job in the coaching of the team.

There are three (3) returnees from the 1973-74 varsity baseball team: David Avila, Frank Mestas and Tony Hudson. The hitting of Frank Mestas, Peter Albertine, Rod Soward and Charles Watson handled the score. Earl Neal, Tony Hudson and Russell Seleska pitched well. Beautiful outfield plays by Frank Mestas, Rod Soward, Darren Venable, and excellent plays in the infield by Peter Albertine and Charles Watson were all rewarded in the winning of the games.

Coach Larry Arnold

Although they lost some valuable players from last year's 1973-74 varsity baseball team, this year's 1974-75 varsity baseball team has shown the same good qualities and will have to be reckoned with.

Pitchers: Earl Neal — 17-Soph., Tony Hudson — 4-Junior, Russell Seleska — 11-Senior.

- ★ Those who purchased advertising space for their support and generosity.
- ★ Mr. Ralph Crowell from Harris' Photography Department for his photography work and developing prints.
- ★ Mrs. Dorothy Close for keeping all records in order and contributing her assistance with the sale of annuals.
- ★ To all those who assisted in the distribution and sale of the Tyro Annual.
- ★ And especially to you, the students, for your generous support of Cardinal City by purchasing the annual.

We would like to give extra special thanks to Nelda Townsend from Taylor Publishing company for keeping us in line with her direction and "know-how", and Kerry Kugelman, our chief photographer. He took the majority of the photographs for the Tyro Annual. There was no time when he was not on the run trying to keep up with the demands. Many thanks again, Kerry. We couldn't have done it without you.
